

PPS:13TH NATIONAL SYMPOSIUM ON
FRONTIERS IN PHYSICS

University of Peshawar, Peshawar
December 19-21, 2012

Motivation:

The proposed 13th National Symposium on Frontiers in Physics aims to bring together our Physicists working in different branches of Physics in the country. This will provide an opportunity for exchange of ideas and a basis for possible future collaborations. The National Symposia on Frontiers of Physics have always played a vital role in the development of Physics in the country and it is hoped this Symposium will provide fresh motivation for further research.
